

# Retro Press Document

Thank you for your interest in Retro for Instagram. In this document you will find the basic information about Retro. If you need additional information, please don't hesitate to contact us:

- Jason Dinh Ba Thanh, [jason@tinywhale.net](mailto:jason@tinywhale.net)

## ABOUT RETRO:

Retro is an Instagram client, designed for the iPad and iOS 7.

Retro has a beautiful interface, intuitive animations and well-thought-out gestures for quick actions. Retro supports multiple viewing modes for quick or detailed browsing of your Instagram feed. Retro also has multiple accounts support.

Brief Highlights:

- Multiple accounts support
- Notifications for your photos - number of new likes/comments
- Multiple viewing modes for quick/detailed browsing of your Instagram feed
- Night & day theme
- Background update
- Photo downloading
- Smart gestures for navigation and common tasks
- Read/comment/like on your feed
- See the photos you liked
- Discover popular photos
